

**HIGHLINE WATER DISTRICT
King County, Washington**

Resolution 09-8-19A

CONCERNING THE HIGHLINE WATER DISTRICT'S LOCAL MITIGATION PLAN

Whereas, the Highline Water District is vulnerable to the human and economic costs of natural, technological and societal disasters, and

Whereas, the Board of Commissioners of Highline Water District recognizes the importance of reducing or eliminating those vulnerabilities for the overall good and welfare of the community, and

Whereas, the Highline Water District has been an active participant in the Regional Hazard Mitigation Plan of King County, which has established a comprehensive, coordinated planning process to decrease these vulnerabilities, and

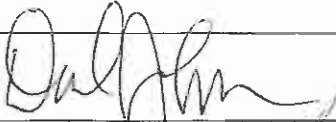

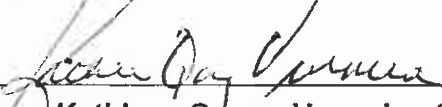

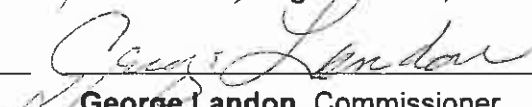

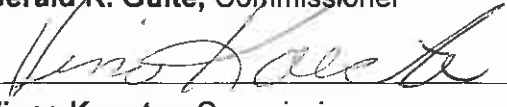

Whereas, the Highline Water District's representatives and staff have identified a number of proposed projects and programs to mitigate the vulnerabilities of Highline Water District to the impacts of future disasters, and

Whereas, these proposed projects and programs have been incorporated into the initial edition of the Regional Mitigation Plan that has been prepared and issued for consideration and implementation by King County.

NOW THEREFORE BE IT RESOLVED, by the Board of Commissioners of Highline Water District, King County, Washington:

1. The Board of Commissioners hereby proposes to accept and approve of its designated portion of the Regional Hazard Mitigation Plan, upon approval by FEMA.

ADOPTED BY THE BOARD OF COMMISSIONERS of Highline Water District, King County, Washington, at a Regular Open Public Meeting held this **19th** day of **August 2009**.

BOARD OF COMMISSIONERS	
 Daniel Johnson, President	 Kathleen Quong-Vermeire, Secretary
 Gerald R. Guite, Commissioner	 George Landon, Commissioner
