

Auto-Pay Plan

Highline Water District is pleased to offer AutoPay. With this option you may have your utility bills automatically withdrawn from your bank account, saving time with fewer checks to write. Your payment will never get lost in the mail and your bill will be paid ... even if you're on vacation! It saves postage too.

With AutoPay you receive your utility bill as usual. Then, on the bill due date the amount of the bill is paid automatically from funds in your bank account. The payment shows on your bank statement as a regular transaction.

To take advantage of this new service, just fill out the form below and mail it with your payment or fax to 206-824-0806.

If you have any questions, call the Customer Service Supervisor at 206-592-8914.
