RESOLUTION 13-9-18A

RESOLUTION ACCEPTING AN EXTENSION TO THE WATER DISTRICT SYSTEM  
AXCENT SERVICING SHORT PLAT – 1615 SOUTH 260TH STREET

WHEREAS, the Board of Commissioners of Highline Water District has heretofore approved an 
application for the above-titled extension; and

WHEREAS, said extension has been found to have been constructed in accordance with the 
District’s standards; and

WHEREAS, pressure, bacteriological and other tests have been made and the results have 
proven satisfactory. The General Manager agrees with the recommendation for acceptance of 
said extension.

NOW, THEREFORE, BE IT RESOLVED:

1. The above-entitled extension to the District’s system is hereby accepted by the District, 
subject to the guarantee and other provisions of the Developer Extension Agreement on 
file at the District’s office.

2. The Bill of Sale, notarized on May 31, 2013 and executed by Bennett Williams, Managing 
Member, is hereby accepted and attached as Exhibit A, along with system map.

ADOPTED BY THE BOARD OF COMMISSIONERS of Highline Water District, King County, 
Washington, at an open public meeting held this 18th day of September 2013.

HIGHLINE WATER DISTRICT
UTILITY EASEMENT

The Grantor, J & J 260, LLC, does hereby grant to Highline Water District, King County, Washington, a municipal corporation, Grantee, its successors and assigns, an easement and right-of-way over, through, under, across, upon and in the following-described property & situated in the City of Des Moines, King County, Washington, to-wit:

1615 5 260 th, Des Moines, WA 98198

for the construction, operation, maintenance, repair and/or replacement of a water pipeline and appurtenances thereto, together with all rights of ingress and egress to and from said easement for all purposes necessary and related thereto;

Grantee and its agents, designees or assigns shall have the right, without prior institution of any suit or proceeding at law, and without prior notice to Grantor, at such time as Grantee deems necessary to enter upon said property, by foot or vehicle, for the installation, repair, reconstruction or maintenance of water facilities and appurtenances without incurring any legal obligation or liability therefore, provided that such shall be accomplished in a manner that existing private improvements shall not be disturbed or destroyed, or in the event that they are disturbed or destroyed they will be replaced or repaired, as nearly as is practicable, to as good a condition as they were immediately before the property was entered upon by the Grantee.

Grantor hereby agrees that no building, wall rockery, trees or structure of any kind shall be erected or planted, nor shall any fill material be placed within the boundaries of said easement area. No excavation shall be made within three feet of said water service facilities, and the surface level of the ground within the easement area shall be maintained at the elevation as currently existing. In the event that this provision is violated, the Grantee shall have the right to require removal of any such structure and same shall be accomplished within a reasonable period of time and at Grantor’s expense. Failure of Grantee to so exercise its right to require removal shall not constitute waiver of this right.

Grantor additionally grants to the Grantee, its agents, designees or assigns the use of such additional area immediately adjacent to said easement area as shall be required for the construction, re-construction, maintenance and operation of said water service facilities. The use of such additional area shall be held to a reasonable minimum and be returned to its condition existing immediately before the property was entered upon by Grantee or its agents.

IN WITNESS WHEREOF, the Grantor(s) has (have) executed these presents this 31 day of May, 2012.
