6. STAFF/COMMISSIONERS/ATTORNEY
Jeremy DelMar
6.1 Tyee Well Rehabilitation – Jeremy discussed the results of the well video taken by Robinson Noble. The stainless steel screens appeared in good condition with little corrosion. The consultant recommends the use of stainless steel components because it inhibits bacterial growth. More research is being done to determine the best option for rehabilitating the well.

6.2 Developer Extensions – The District has received more water availability applications from developers than was anticipated this year. Jeremy discussed several of the projects proposed with the Board.

6.3 Project 13-3 24th/28th Avey Extension – Jeremy informed the Board that the City of SeaTac has postponed the project until 2016. The City and WSDOT will be working together regarding the construction of an overpass over the future 509 right-of-way.

6.4 New Federal Aviation Administration (FAA) Regional Headquarters – Panattoni was selected to construct the FAA’s new regional headquarters at the Des Moines Creek Park. Construction will begin in 2016.

Matt Everett
6.5 Midway Sewer District – Surplus 2003 Camel Vactor Truck - Midway Sewer District has offered to sell their vactor truck to Highline for $45,000. Matt recommended to the Board that the District purchase the truck. Matt polled the Board for their input and the Commissioners agreed for staff to pursue purchasing the vehicle. Matt said an interlocal agreement with Midway would be presented at a future Board meeting.

6.6 Engrossed Substitute Senate Bill 5048 – An Act Relating to the referendum of assumptions of water-sewer districts by cities and towns; amending RCW 29A.36.071; and adding 2 new sections to chapter 35.13A RCW.

Governor Inslee signed the assumption bill on May 6, 2015.

The law, which will go into effect in July, permits a referendum when voters in the area to be assumed file a qualifying petition after a city initiates the assumption process.

6.7 Potential Franchise Agreement with the City of SeaTac – Matt received an email from John Milne, HWD Legal Counsel, regarding the draft franchise agreement submitted by Highline to the City. The City is discussing the agreement internally. The City has requested the District provide the rate revenue generated within the City of SeaTac.
