AGREEMENT FOR CONSULTING SERVICES

THIS AGREEMENT is entered into between HIGHLINE WATER DISTRICT, King County, Washington, a municipal corporation and special purpose district organized and existing under the laws of the State of Washington (hereafter referred to as "the District"), and GRAY & OSBORNE, INC., (hereafter referred to as "the Consultant") in consideration of the mutual benefits, terms and conditions hereinafter specified.

1. Scope of Consulting Services. Consultant shall provide consulting services to the District under the terms of this Agreement for the following Project: 2017 AC WATER MAIN REPLACEMENT ("Project"). The scope of services is more fully described on Exhibit A attached hereto and incorporated herein by this reference.

2. Compensation and Payment. District shall pay Consultant for the time and materials devoted to the Project as consideration for the performance of the services set forth on Exhibit A, not to exceed the amount of One Hundred Sixty Nine Thousand Eight Hundred Thirty Five and 00/100 Dollars ($169,835.00). Such compensation shall be payable in the following manner:

   a. Consultant shall submit a detailed monthly billing for all services provided describing in reasonable and understandable detail the services rendered, fees charged and expenses incurred by Consultant during the previous month in accordance with a schedule of rates and charges set forth on Exhibit B, including fees and expenses for additional services authorized by District as provided herein. District shall pay the invoice within sixty (60) days of receipt, except as to any disputed amounts.

   b. Upon District's failure to pay within sixty (60) days of receipt the undisputed amount set forth in any monthly billing submitted to District by Consultant, such unpaid balance will bear interest at the rate of 1% per month until the amount of such unpaid balance, plus interest thereon shall be paid in full.

   c. Consultant shall maintain accounts and records of fees billed and expenses incurred as described in this Section 2 in accordance with generally accepted accounting principles, and agrees to make such accounts, records and supporting documentation available to the District and its authorized representatives for inspection at mutually convenient times, both during the Project work and for three (3) years following the final payment for services rendered or termination of the Consultant's services under this Agreement.

3. Schedule of Work. Consultant shall commence the performance of its services under this Agreement upon receipt of notice to proceed from the District to do so and shall provide the services in accordance with the schedule on Exhibit A, subject to delays for causes beyond the reasonable control of Consultant or as otherwise agreed to by District.
4. **Subcontractors.** Consultant shall not subcontract or assign any portion of the work covered by this Agreement without the prior written approval of the District, such consent to be given in District's sole discretion. Subject to the provisions of the preceding sentence, this Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto.

5. **Independent Contractor.** Consultant is an independent contractor and not an employee of the District. Consultant shall be responsible in full for payment of its employees, including insurance and deductions, and for payment to any subcontractors. No personnel employed by Consultant shall acquire any rights or status regarding the District. All of the services required hereunder shall be performed by Consultant or under its direction, and all personnel engaged therein shall be fully qualified under applicable state, federal and local laws to undertake the work performed by them.

6. **Changes in Scope of Services.** The District may require changes or modifications in the scope of services to be performed under this Agreement. Any such changes or modifications shall be in writing and signed by the parties to this Agreement. The compensation for the changes or modifications, whether a decrease or increase, shall be on the same terms and conditions as set forth in Paragraph 2 above or in a manner otherwise mutually agreed to by the parties.

7. **Insurance.** Consultant shall maintain throughout the performance of this Agreement the following types and amounts of insurance.

   a. Comprehensive vehicle liability insurance covering personal injury and property damage claims arising from the use of motor vehicles with combined single limits of Two Million Dollars ($2,000,000).

   b. Commercial General Liability Insurance written on an occurrence basis with limits no less than Two Million Dollars ($2,000,000) combined single limit per occurrence and Two Million Dollars ($2,000,000) aggregate for personal injury, bodily injury and property damage. Coverage shall include, but not be limited to: blanket contractual; products/completed operations; broad form property damage; explosion, collapse and underground (XCU) if applicable; and employer’s liability; and

   c. Professional liability insurance (Errors and Omissions insurance) with limits no less than Two Million Dollars ($2,000,000).

The insurance policies shall: (1) state that coverage shall apply separately to each insured against whom claim is made; (2) state that coverage shall be primary to any insurance maintained by the District; (3) state that the District shall be named as an additional insured on the Commercial General Liability Insurance policy with respect to services performed by or on behalf of the Consultant and a copy of the endorsement naming the District as an additional insured shall be attached to the Certificate of Insurance.
Before commencing work and services, Consultant shall provide to the District a Certificate of Insurance and required endorsements evidencing the insurance described above. The District reserves the right to request and receive a certified copy of all required insurance policies.

The above insurance limits do not constitute a limit on Consultant’s liability to the District. Any payment of deductible or self-insurance retention shall be the sole responsibility of Consultant.

Consultant shall be solely responsible for the safety of its employees and subcontractors at the Project work site, and shall comply with all applicable federal, state and local statutes, regulations and ordinances regarding safety.

8. **Indemnification.** Consultant shall defend, indemnify and hold harmless the District, its elected and appointed officers, employees and agents and volunteers from and against all claims, injuries, damages, liabilities, losses of suits, including attorneys’ fees and costs, arising out of or relating to Consultant’s performance under this Agreement, except to the extent any injuries or damages caused by the negligence of the District. For the purposes of this indemnification, Consultant specifically and expressly waives any immunity granted under the Washington Industrial Insurance Act, Title 51 RCW. This waiver has been mutually negotiated and agreed to by the parties. If a court of competent jurisdiction determines that this contract is subject to RCW 4.24.115, Consultant’s obligation to defend, indemnify and hold harmless the District, its officers, employees, agents and volunteers shall be limited to the extent of Consultant’s negligence. The provisions of this Section shall survive the expiration of termination of this Agreement.

9. **Ownership of Documents.** Consultant agrees to return to District upon termination of this Agreement all documents, logs, drawings, photographs and other written or graphic material, however produced, received from District and used by Consultant in performance of its services hereunder. All documents, logs, drawings, specifications, designs, mylars, surveys, survey data, reports and other work product (collectively referred to as “Work Product”) produced by Consultant in connection with the services rendered under this Agreement shall be owned by District. District shall own all copyrights to such Work Product and Consultant agrees to assign all ownership rights to such Work Product to the District. Reuse of any such Work Product by the District for other than a specific project or modification in use by the District of any of the Work Product without the Consultant’s prior written approval shall be at the District’s sole risk.

10. **Standard of Care.** Consultant warrants that its services shall be performed with the level of care, skill and competence of the consulting profession in accordance with the standard for professional services at the time the services are rendered.

11. **Right of Entry.** District shall provide for the right of entry of Consultant and its subcontractors and all necessary equipment in order to complete the services under this Agreement.
12. **Compliance with Codes and Standards.** Consultant's Professional Services shall be consistent with the standard of care and shall incorporate those publicly known federal, state and local laws, regulations, codes and standards that are applicable at the time Consultant renders its services.

13. **Discovery of Hazardous Materials.** The Parties recognize that unanticipated hazardous materials or suspected hazardous materials may be discovered on District’s property or on property included as part of the site of work but not owned by District. The discovery of unanticipated hazardous materials may delay the Consultant’s provision of the services required herein. In that event, the parties may extend the Contract Completion Date by mutual agreement.

14. **Termination.** This Agreement may be terminated by either Party upon five (5) days written notice for any reason. In the event of termination, Consultant shall be entitled to compensation for all services performed and costs incurred through and including the date of termination, except as to any disputed amounts.

15. **General Provisions.**

   a. **Notices.** Any notice or demand desired or required to be given under this Agreement shall be in writing and deemed given when personally delivered, sent by facsimile machine, or deposited in the United States Mail (or with an express courier), postage prepaid, sent certified or registered mail, and addressed to the parties as set forth below or to such other address as either Party shall have previously designated by such a notice:

   b. ** Entire Agreement.** This Agreement and its exhibit attachments contain the entire understanding between the District and Consultant relating to the consulting services which are the subject of this Agreement. This Agreement merges all prior discussions, negotiations, letters of understanding or other promises whether oral or in writing. Subsequent modification or amendment of this Agreement shall be in writing and signed by the parties to this Agreement.

   c. **Waiver.** Waiver of any breach or default hereunder shall not constitute a continuing waiver or a waiver of any subsequent breach either of the same or of another provision of this Agreement.

   d. **No Third Party Rights.** This Agreement is made only for the benefit of the District and Consultant and successors in interest and no third party or person shall have any rights hereunder whether by agency, as a third party beneficiary, or otherwise.

SCOPE OF SERVICES

2017 WATER MAIN REPLACEMENT PROJECT, PHASE 1

PROJECT UNDERSTANDING

The 2017 Water Main Replacement project will replace existing 4-inch to 10-inch Asbestos Cement (AC) water mains that are located at six separate locations within the District and are at the end of their useful life. Phase 1 of this project will include design services by Gray and Osborne (G&O) to prepare contract documents, for bid and assist the District with bidding the project. Phase 2, which is to be performed by separate amendment, is anticipated for construction services including administration, submittal review, construction staking, and record drawings.

This project will replace approximately 9,000 lineal feet of existing AC water mains with new, ductile iron water mains, in addition to new services, connection to existing mains, hydrants, and appurtenances.

An potential project schedule is included below.

SCOPE OF WORK

Gray & Osborne will perform the following tasks.
Task 1 – Project Management

Objective: Provide overall project management and oversight of the project work by the Project Manager and senior staff members.

1. Provide overall project management and oversight services, to include:
   a. Procure sufficient staff resources to dedicate to the project.
   b. Manage and control project budget and schedule.
   c. Manage and provide monthly progress reports and invoices.

Deliverables: Monthly Earned Value Reports (EVR).

Task 2 – Survey

Objective: Survey five separate project sites sufficiently to prepare a project base map for design plan and profile drawings including setting an elevation datum at each site to be consistent with the District datum.

1. Coordinate utility locates using One-Call.

2. Set base map scale at 1":20' showing existing utilities, rights-of-way, property lines, topography contours at 2-foot intervals, and other information as needed. Property lines will be approximate based upon GIS data.

3. Incorporate information from District asbuilds and base maps for water.

Assumptions

District will provide all available as-builds and basemap information for water. District will locate their water mains and facilities ahead of survey.

Deliverables

None. Information from this task will be utilized in Task 3.
Task 3 – Engineering Design and Contract Document Preparation

Objective: Prepare Contract documents suitable for public bidding including plans, profiles, specifications, and cost estimates with District review at the 50 percent, 90 percent, and final design stages.

1. A 50 percent design submittal including project plans and cost estimate will be provided to the District.

2. A 90 percent design submittal including project plans, specifications, and cost estimate will be provided to the District for review. The 90 percent design will incorporate District comment from the 50 percent submittal.

3. A final contract document submittal including project plans, specifications, and cost estimate will be provided to the District and will incorporate District comments from the 90 percent submittal.

4. Gray & Osborne will attend one review meeting at the District for each submittal (three meetings total).

5. Quality Assurance/Quality Control reviews will be held internally at Gray & Osborne for each submittal.

Deliverables

Three sets of full sized plans, specifications and cost estimate at each of the 50 percent, 90 percent, and Final Design submittals for the contract.

Assumptions

The District will provide their standard contract specifications and details. Project plans will be 22" x 34" full size. No Department of Health review will be required.

Task 4 – Permitting

Objective: Obtain the appropriate Right of Way permits from the Cities of Normandy Park (1), Sea Tac (1), Des Moines (2), and Kent (2).

Deliverables

Six separate Right of Way permit applications to the appropriate Cities.
Assumptions

District will pay all permit fees.

Task 5 – Quality Assurance/Quality Control

Objective: Oversee two, in-house, quality assurance/quality control (QA/QC) meetings at G&O's office during the course of the project. The meetings will include senior project staff, selected design team members, and District staff (as required and/or desired).

1. QA/QC meetings will take place at the following levels:
   a. 50 percent Submittal.
   b. 90 percent Submittal.

2. Ensure incorporation of relevant recommendations and suggestions into bid/construction documents resulting from QA/QC reviews.

Task 6 – Bid and Award Assistance

Objective: Assist District in bidding phase of the project including advertisement, pre-bid inquiries, bid opening, and recommendation to award.

Gray & Osborne will provide the following bid and award services:

1. Advertise the bid in the Daily Journal of Commerce and any other paper of record.

2. Submit documents to Builders Exchange for inclusion on their website.

3. Answer bidder questions.

4. Prepare contract addenda, as necessary.

5. Attend bid openings.

Deliverables

Three full contract sets with plans and specifications; PDF document set prepared for upload to Builders Exchange or similar service.
Assumptions

District will be billed directly for the bid advertisement. District will prepare the Bid Tabulation and review bids and apparent low bidder qualifications. No prebid meeting will be required.

Not included within this Scope of Work are the following:

- Geotechnical investigations;
- Construction services;
- Hydraulic modeling or system analysis;

Comments:
District staff reviewed the Statement of Qualifications from engineering firms on the 2016 Municipal Research Services Center (MRSC) Consultant Roster. The District selected Gray & Osborne, Inc. to provide engineering design services for the water main replacement work. Gray & Osborne has successfully completed several water main replacement designs for the District.

The project consists of replacing approximately 9,000 LF of 4-inch and 10-inch AC water mains located that are located at six separate locations within the District.

The District’s Engineer and General Manager have reviewed the scope of work and budget submitted by Gray & Osborne, Inc. and recommend approval of this resolution.
