HIGHLINE WATER DISTRICT

**MAINTENANCE AGREEMENT
 ASPHALT AND CONCRETE RESTORATION SERVICES
 MP2022-06 / CONTRACT #22-50-13**

THIS AGREEMENT is entered into between **HIGHLINE WATER DISTRICT**, King County, Washington, a municipal corporation and special purpose district organized and existing under the laws of the State of Washington (hereafter referred to as "the District"), and **ASPHALT PATCH SYSTEMS, INC.** (hereafter referred to as "the Contractor") in consideration of the mutual benefits, terms and conditions hereinafter specified.

1. Project. The Contractor shall do all work and furnish all tools, materials, equipment and incidentals for the District's maintenance work known as:

ASPHALT AND CONCRETE RESTORATION SERVICES

("Project") in accordance with and as described in the following documents and the Scope of Work/Proposal Form (**Exhibit A-page 3**).

2. District Agreement. The District employs the Contractor to provide the materials and to do and cause to be done the Project work described above and to complete and finish the repair work according to the terms and conditions of this Agreement and agrees to pay for the work at the time, in the manner and upon the conditions provided for in this Agreement.
3. Contractor Agreement. The Contractor agrees to fully perform the work upon all terms and conditions as contained in this Agreement. The Contractor shall provide and bear the expense of all equipment, work and labor of any sort whatsoever that may be required for the transfer of materials and for constructing and completing the project provided for in this Agreement.
4. Completion Deadline/Liquidated Damages. The individual projects must commence within ten (10) calendar days of the provision of each Patch List (Notice to Proceed). Each patch list is to be completed within thirty (30) calendar days, subject only to a delay due to weather conditions. If the work is not completed within that time period, because of difficulty in computing the actual damages to the District arising from any delay in completing this agreement, it is determined in advance and agreed by the parties that the Contractor shall pay the District the amount of \$ 100.00 per calendar day that the work remains uncompleted after expiration of the specified time for completion. The parties agree that this amount represents a reasonable forecast of the actual damages which the District will suffer by failure of the Contractor to complete the work within the agreed time period. The execution of this agreement shall constitute acknowledgment by the Contractor that the Contractor has ascertained and agrees that the District will actually suffer damages in the above amount for each day during which the completion of the work is avoidably delayed beyond the agreed completion date.
5. Contractor Guarantee. The Contractor shall guarantee the materials and work for a period of two years after completion of this Agreement.
6. Project Cost. The amount of the project cost is not-to-exceed \$125,000.00 plus Washington State sales tax.
7. Payment Terms. The District shall pay the Contractor on the following terms: Incremental payments, plus Washington State Sales tax to be paid from a contractor invoice (which must

be approved by the District's Engineering/Operations Manager or designated Supervisor). Per RCW 60.28.11(1)(a) public improvement contracts must provide, and public bodies must reserve, a contract retainage not to exceed five percent of the moneys earned by the contractor as a trust fund for the protection and payment of: (i) The claims of any person arising under the contract; and (ii) the state with respect to taxes, increases, and penalties imposed pursuant to Titles 50, 51, and 82 RCW which may be due from such contractor.

8. Prevailing Wages (Appendix A).

The Contractor shall pay prevailing wages and shall comply with RCW 39.12 and RCW 49.28. A Notice of Intent to Pay Prevailing Wages and prevailing wage rates for the work must be posted for the benefit of workers. At the conclusion of each patch list, the Contractor and its subcontractors shall submit Affidavits of Wages Paid to the Department of Labor and Industries for certification by the director. Final payment on the Agreement shall be withheld until certification by the director has been received by the District that the prevailing wage requirements of the law have been satisfied. The Contractor hereby certifies that it has not been cited for two violations within the last five (5) years and is thus prohibited from bidding on public works projects. The Contractor further assures the District that it will use no subcontractor who is thus prohibited.

Before award of a public works contract, the bidder under consideration for award of a public works project must submit to the public agency a sworn statement (**Appendix A2**) that they have not willfully violated wage payment laws within the past three years in order to be considered a responsible bidder. (Reference RCW 39.04.350).

All businesses are required to have training before bidding and/or performing work on public works projects under the responsible bidder criteria in RCW 39.04.350 and RCW 39.06.020. A business is exempt from this training requirement if it has been in business with an active Unified Business Identifier (UBI) number for 3 or more years **AND** has performed work on 3 or more public works projects.

Weekly certified payroll reports are required to be filed online with L&I at least once a month for all public works projects. Earlier this year, the legislature passed ESSB 5035, adding this requirement to the prevailing wage laws within Chapter 39.12. RCW. Reference RCW 39.12.120.

This change effects all public works projects on January 1 to include those that are in progress and all new ones moving forward. Each contractor must file their certified payroll using L&I's online system at least once a month. Please note, contractors can be penalized for failing to file.

9. Bond.

RCW 39.08.010 (effective 7/23/17)

The Contractor is encouraged to review these documents to ensure the knowledge and understanding of their terms and conditions and/or to obtain a copy from the District.
